Customer Site	Novice - 4 Days Refresher - 1 Day	Centre Certified by Rochdale Training (Refresher recommended 3 yearly)	3 Maximum	Prices available on Request

1 Aims and Objectives of the Course:

The Forklift Truck Novice and Refresher/Re-assessment courses will include theory instruction and assessment followed by practical operator training and assessment which will comply with the standard laid down in accordance with the HSE code of practice L117. The Counterbalance Forklift is the most common of fork lifts in use today and are the workhorses of most materials handling operations.

2 Content

By the end of the course, delegates will be able to:

- Carry out a pre-shift inspection and operate the machine safely and correctly in accordance with manufacturers' instructions and accepted good practice.
- Be able to load and unload vehicles and static racking, and understand the causes of instability of the truck and loads.
- Have a thorough understanding of their responsibilities under the Health and Safety at Work Act 1974 and any other relevant legislation.

4 PPE Required

- Forklift Truck and Site-specific PPE

5 Achievement

- Multiple Choice & Written Paper and Practical Skills Assessment.
- On completion of the theory test and practical test, successful learners will achieve Operator Certification in the respective truck.

6 Method

Classroom & Practical Training and Assessment
